Once we receive this application and your donation, we'll place an attractive card with your name next to the display item. The card will tell visitors of your commitment to support the museum's goals. We'll keep the card and the item on display for a full year. You may visit your display free during the sponsorship year at any time the museum is open. And, as an added "thank you", if you choose, we'll send a free mug with the museum logo. (The museum is a 501(c)3 organization and your sponsorship is tax-deductible. Accepting a mug reduces the tax-deductible amount by \$5.00)

You should receive a letter acknowledging your sponsorship within the next several weeks.

If you would like to "go green" we can email your letter.
